**The stylish Octavia comes with a range of design features that allow your individuality to shine through.**

With Škoda Genuine Accessories you can customise your car to conform precisely to your specific wants and needs. Details that emphasise the car's design, comfort, interior equipment and roof racks can be found in our range.

You can find more information on the complete range of Škoda Genuine Accessories at any authorised Škoda dealer or by visiting [skoda.com.au](http://skoda.com.au)

**1. The bumper spoiler** with integrated reflectors reinforces the dynamic appearance of the rear of the car. In addition, the reflectors contribute to the visibility of the car and thus to your increased safety.

**2. Alloy wheels** give your car instant appeal and are available in a range of attractive styles for that extra sporty look.

**3. With a luggage net** you'll never need to worry about rolling groceries ever again.

**4. The floor mats** not only make the car's interior more comfortable but also make it easier to keep clean.

Optional metallic paint, roof bars and Xenon headlights shown.
